*** New Items**

Secrets 2018

Welcome to the magical world of Ginger Cottages. We've spent literally hundreds of hours to fill our cottages with details and secrets. Each cottage has a small hole on its underside designed to borrow a standard bulb from your tree. Upon lighting your cottage, you'll discover the first secret-a little scene in every cottage. That's just the beginning. Throughout the collection you'll find all sorts of surprises to delight in the joy and discovery of all that is Christmas.

***The Elf Cottage** (GC001) It's tiny but it still has big secrets. Can you find 2 gingerbread men? Can you find all 28 hearts?

Gingerbread Cottage (GC101) You'll find Santa standing in the window. If you look closely there's a stocking and tree hidden in the stones on the walkway.

Wedding Chapel (GC102) Prince Charles and Lady Diana are about to be married. Can you find the wedding bells? Can you find the single heart?

Nativity Chapel (GC102N) There are 28 doves decorating the chapel. A single heart is hidden somewhere on this cottage. One of the crosses is easy to find, the other is less obvious.

Yesterday's Toys (GC104) There are 2 Santa nutcrackers in this cottage.

All Aboard Train Depot (GC105) What time does the Santa Train arrive? Who is checking his watch to see what time it is?

Santa's Workshop (GC106) What day is it? Look for the Christmas lights. What's hidden on the sidewalk? There are 4 snowflakes.

Drosselmeyer's Nutcrackers (GC107) How many nutcrackers can you find?

Ginger Boo!
